# Creativity

Where do we start? A common question we find ourselves thinking about with any project we task ourselves with?

❖ **Creativity**

Think about what you want

❖ **Materials to Create**

Make a list, then get your materials

❖ **Be bold and GO!**

Don't be afraid, trial and error is how we learn what we like and don't like

*An essential aspect of CREATIVITY is not being afraid to fail...*

# GARLAND

## Entry's / Doorways

**TIP:** Purchase a long evergreen garland to serve as the base, then use floral pins and hot glue to secure embellishments

## Stairs / Fireplace

Above Kitchen Cabinets  
Chandeliers  
Tables  
Ledges  
Windows  
Bed Frames  
Decks, wherever you like!

The beautiful thing about Garland is you can dress it up or tone it down as much as you prefer. Have fun with it, decorate new areas to give your space a festive and fresh look.

# WREATHS

There are hundreds of different ways to decorate a wreath. You can find ideas from **Pinterest, Google Images, DIY**, and so on... whichever style you choose just be sure to have plenty of glue and materials to create your work of art!

**Tip:** If you want a vintage look for your ornaments use **Nail Polish Remover** on a paper towel. Dab until you get the look you want.

**FIND YOUR OWN  
STYLE...**
