Dream Home is built, Covington Homes was one of only five builders who donated a Dream Home that cost zero dollars. Zero cost means that all of the proceeds from the ticket sales and additional donations directly benefit the St. Jude Children's Research Hospital. Every dollar helps children like Caylee — our local St. Jude former patient and cancer survivor — live long, beautiful lives.

This year's house has four bedrooms, three bathrooms, and 3,200 estimated square feet, with a garden-level finished basement that includes a rec room and game area. The open floor plan is great for entertaining, with a kitchen that connects to the dining area and great room. The gourmet kitchen has gas appliances, designer cabinets and granite counter tops.

Walkthroughs are still available from 9 a.m. to 7 p.m., Monday, June 12, through Thursday, June 14, and just for doing that you can enter into another drawing for a Furniture Row shopping spree.

This St. Jude Dream home is located in the amazing community of Banning Lewis Ranch. With a beautiful wide-open ranch floor plan, views galore, incredible upgrades and a value of over \$465,000, the winner of this Dream Home will have truly won a treasure.

There is not much time left to get your St. Jude dream home ticket — you could win a home, while helping to fight childhood cancer. Buy your ticket now at dreamhome.org or call 1-800-379-5217. The winner will be announced at 4:30 p.m. on Friday, June 15. ■
