

# COVINGTON HOMES

**PROVIDES**

*Peace of Mind*

## ENERGY SMART BUILDER

Covington Homes offers exceptional quality and value. We test our homes for energy efficiency and every home receives a HERS Rating. We include 90%+ high efficiency furnaces, engineered heating systems, water-saving faucets and toilets, Energy Smart appliances and energy saving lights, higher levels of insulation and Low-E windows. All of this adds up to a more energy efficient home making it a healthier, more comfortable place to live while saving you money.

## SAFETY & SECURITY

Stately 8-foot ThermaTru entry doors is our signature feature and provides added security with the special three lock system. Every home will also receive satin nickel peep-hole and Ring© video doorbell package with CPU module for security system add on.

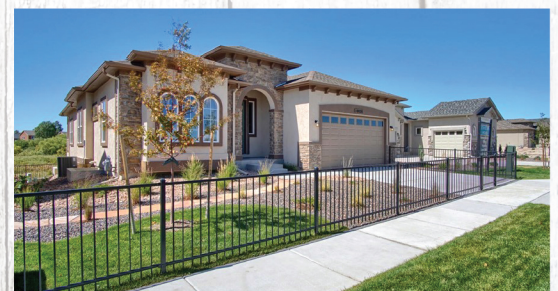

## BUILDING COMMUNITY

We choose designs that fit the feel of the neighborhoods and provide distinct and inviting interiors. We build in communities that offer good value, convenient locations and a healthy lifestyle. We continue our relationship with our home-owners long after they move in, including them in our events and service to the community. We are the local St Jude Dream Home Builder and we continue supporting variety of worthy causes year after year.

## SOLID CONSTRUCTION

We are the only builder in the Colorado Springs to include engineered steel reinforced foundation area wells part of all our homes with basements. These are concrete wells that are integrated into the foundation and provide unmatched protection against water intrusion.
