

Covington Homes awarded “Builder of the Year” among other achievements

COURTESY OF COVINGTON HOMES

Covington Homes has been given the great honor of receiving the “Builder of the Year” award from St. Jude Children’s Research Hospital. They have made a long-term commitment to partner with St. Jude’s as the St. Jude Dream Home Builder in Southern Colorado.

For the past two years, Covington Homes has built the Colorado Springs Dream Home at zero cost. That means all of the proceeds from the ticket sales of the Dream Home go directly

to St. Jude Children’s Research Hospital.

In fact, Covington Homes and their trade partners have done an amazing job in supporting St. Jude’s lifesaving mission, and have helped to raise more than \$2.7 million dollars in the past three years to fight childhood cancer and other life-threatening diseases.

Service and compassion for others have always been the cornerstone of Covington Homes’ culture. The entire team truly cares about the community. Covington Homes is the builder that

gives back.

The St. Jude Dream Home gives the Covington Homes team and their trade partners the incredible opportunity to go to work each day and make a difference in the life of a child. The St. Jude Dream Home is also a reminder that we should all strive to make each day better than the last one.

Under the leadership of Grace and Ron Covington, Covington Homes has continued grow and thrive, becoming a builder that builds more than just

homes — truly living up to their slogan, “We build community.” From the beginning, Covington Homes has focused on building incredibly beautiful homes, having a strong presence in the building industry and helping others.

Furthermore, Covington Homes was also recently honored to be awarded the 2018 HBA Parade of Homes’ “People’s Choice” accolade for homes in the \$550,000 to \$600,000 price range.

In addition to all this, Covington Homes is celebrating a fantastic milestone this year — its 10-year anniversary. Since their founding in 2008, they continue to be among the top builders in Colorado Springs and El Paso County. ■
